

TURN YOUR IDEA INTO REALITY THIS SUMMER AT SECTOR67

SECTOR67

visit <http://www.sector67.org/>

Sector67 is offering a limited number of "makership" summer scholarships for local youth, to help you transform your idea into reality.

A Sector67 membership includes access (with appropriate training and supervision) to a full metal working shop, 3D printers, an electronics lab and software development workstations. Instead of being bored this summer develop your power to create!

THE MAKERSHIP INCLUDES:

- A summer youth membership to Sector67 (\$100 value)
- \$100 stipend for classes and materials
- Expert consulting and mentoring to help make your idea a reality

To apply for the makership, draw or describe your idea in the white box to the right, and submit it to:

Sector67
Attention: Makership applications
2100 Winnebago St.
Madison, WI 53704

Makership applications are due June 1st
